# Turn Camera Footage into Actionable Alerts.

With the **Camera Analytics Platform**

# CCTV Records Activity.
# But Who's Watching Every Feed?

- Multiple cameras require constant attention.
- Unusual activity may go unnoticed
- Potential incidents are sometimes discovered during footage review.

# Use Campus Activity Data for Better Planning.

centelon robotics

- Identify peak-hour footfall.
- Understand movement and space utilisation.
- Inform supervision and infrastructure decisions.

# Greater Security Awareness.
# More Informed Decisions.

- Purpose-defined monitoring and appropriate student-data safeguards.
- Potential incidents flagged for timely review.
- Activity trends support operational planning.
